1. **Original:** Send any good quality photograph (must, of course, be in colour for a full colour stitching). No celebrities or copyright material without written permission. Worried about damage in the mail? - why not scan your photo and send an email with an image attached (in jpeg format, minimum 150 dpi).

2. **Colours:** Choose your colour shade. Charts (all printed in black & white) are for a stitching in full colour or in up to 16 shades of the chosen colour.
